DIETARY SUPPLEMENT

WATER-BASED SUSPENSION
ORAL SPRAY 5 ML

Nano-technology allows an oral spray to enhance absorption into the blood stream rather than the stomach lining.

Supporting the Immune System

Directions: Shake well before using. Adults apply five sprays, twice daily in the mouth, morning and evening for two consecutive days, preferably at least half an hour before eating. Five sprays provides 1 ml of ArtemiC.

Clinically Tested

All active ingredients in ArtemiC are natural, plant-based products including anti-inflammatory agents, as well as those that enhance the body's immune responses. These ingredients have been clinically tested on COVID patients with Cytokine Storm symptoms.*

* Effect of ArtemiC in patients with COVID-19: A Phase II prospective study. J Cell Mol Med. 2022;00:1-9. doi:

Warnings: Keep out of reach of children. Not intended for pregnant or nursing women. Discontinue use or consult your doctor if any adverse reactions occur. Do not use if inner bottle or spray cap is broken, or shows sign of tampering.

Storage and Expiration: Store in a dry, cool place and avoid heat and direct sunlight. Do not exceed temperatures above 77 °F. Usable until expiration date. Once opened, use within 1 month. Do not freeze.

The statements on this package have not been evaluated by the U.S. Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
